FROM THE OFFICE OF THE CITY MANAGER:

To our residents,

The City of Bunnell is located in an area encompassed by the River to Sea Transportation Planning Organization (TPO) and, as such, we as a City can benefit from transportation based services this organization offers. With that in mind a survey entitled “Tell the TPO” has been created to get some direct input from the residents and workers in the area to determine their transportation needs. Please take the time to complete the survey and return it directly to the River to Sea TPO at the address listed on the survey or return it with your utility payment and we will forward it to the TPO. Please complete and return the survey by July 23, 2014.

Thank you,

Larry Williams
City Manager

EVENTS:

The 6th Annual Potato Festival was a huge success! The community came out to visit the more than 50 vendors, see Twiggy the Water Skiing Squirrel and enjoy French fries made with locally grown potatoes. The Potato Princess pageant kicked off the day followed by a parade, dog show and culinary showcase. The kids zone and splash tank offered fun for the whole family with school board members and police officials taking a turn in the splash zone. Trevor Tucker of the Flagler County School Board did a turn in the Mr. Potato Head. This community event is a hometown tradition that will continue to showcase the agricultural history of the area for many years to come. A huge thanks to event sponsor Brighthouse Networks, the Tourist Development Council for a grant that makes the Potato Festival possible as well as the Flagler County Chamber of Commerce and the committee that worked tirelessly to make the event memorable for all.

Thank You for Another Great Potato Festival
