

City of Bunnell

Quarterly Newsletter

November 2016

Congratulations City of Bunnell Staff & Citizens! The theme of this year's United Way campaign was City Olympics. There were many opportunities to donate throughout the campaign: payroll deductions, one-time donations, the Penny Wars, and registration fees for participating in the weekly games.

The Utilities Department won the most medals in the game events. When the Penny Wars monies were added up Vice Mayor Rogers and Perry Mitrano won the honor of being "slimed and stringed." Following the employee Potluck luncheon, Mayor Catherine Robinson, stepped in for Vice Mayor Rogers who was not present, she and Perry Mitrano were slimed and stringed.

The City raised \$1773.28. This is almost twice what the City raised last year. We hope that everyone had fun this year. Thank you so much for your participation.

Way to go City of Bunnell!

Hurricane Matthew paid a visit to the coast of Florida and left a path of destruction in its wake. The City of Bunnell weathered the Category 2 Hurricane with relatively minor problems such as downed powerlines, trees, and property damage.

Most folks had to deal with the loss of power but the best news was that no personal injuries were reported.

Halloween 2016 in the City of Bunnell was a huge success with Ghosts and goblins coming from all over.

Looks like Chief Foster might have a new recruit

For all of your informational needs please visit our website: www.bunnellcity.us
