

City of Bunnell Quarterly Newsletter

December 2016 - February 2017

City Managers Corner:

I hope you're having a great start to 2017! We're excited to have the opportunity to serve the great citizens of Bunnell for another year. One way you can ensure your voice is heard is to respond to our recently released citizen survey. The best way for us to serve you is to know what your concerns are. So please take 10 minutes to answer the survey questions located electronically on our website and our Facebook page: <http://www.bunnellcity.us/>

I'll be meeting with City Commissioners this Spring to reevaluate our goals for future years and your input will go a long way in helping us accomplish that!

Quarterly Newsletter

December 2016 - February 2017

PUBLIC WORKS PRIDE:

Public Works crews are starting to gear-up for the grass cutting season.

The street sweeper will be back on the road starting in February.

The pot-hole repair program will continue. We ask for your patience because we will be cutting out the existing area and patching with a more permanent repair which will require more time and staff.

Crews are actively cleaning swales and canals in preparation for the rainy season.

All efforts by citizens and business owners regarding the maintenance of canals and swales in front of their business or home is very much appreciated.

Solid Waste:

Please help us by following these simple recycling rules:

- Recycle only paper, cardboard, plastic bottles, soap jugs, plastic milk jugs and aluminum cans.
- Wood or yard waste is not recyclable. If you put these items in the recycling cart it will result in an extra charge as it may cause contamination.

Utilities:

The City is working to improve the water and sewer system by upsizing service lines and connecting more homes to the water mains to increase pressure and quality.

You can expect to see work in the areas south of Moody Boulevard soon, as City crews and contractors will start upgrading sewer lines in that area.

The City will also be expanding the reclaim water system, and improving the hydrant flushing and maintenance program.

The Bunnell Beat:

Monthly Carver Community Center meetings with “At-Risk Youth” The Bunnell Police Department is participating in monthly meetings with “at risk” youth and community pastors to discuss current issues in policing, and building relations.

Officer Shane Tully has been promoted to the rank of Corporal effective January 9, 2017.

This promotion recognizes demonstrated ability and is a credit to both the individual and the department.
Congratulations Officer Shane Tully!

Fire Department:

Winter Fire Safety Tips. Did you know home fires occur more in the winter months than any other time of the year?

Follow these heating tips to help prevent winter fires and to stay safe this winter season:

- Keep anything that can burn at least 3 feet from all heat sources including fireplaces, wood stoves, radiators, space heaters and candles.
- Never use an oven to heat your home.
- Turn space heaters off when leaving the room or going to bed.
- Maintain heating equipment and chimneys by having them cleaned and inspected each year by a professional.

The “Police Chief’s Corner” newsletter is located on the City of Bunnell web page, click on departments, then click ‘Police Department’.

The police department newsletter is designed to provide information to the public on issues and topics that may be of interest to the community. The City of Bunnell Police Department is continually looking for ways to connect to the public and we hope this newsletter will serve that purpose
