FROM: Christine Hancock, Administrative Assistant Public Works Department

DATE: February 4th 2013

SUBJECT: Addendum No. 1 to RFP # 2013-01, 2013-02, 2013-03, 2013-04, 2013-05
Request for Proposals (RFP) for Asphalt paving on N. Bacher, N. Peach, S. Hope St, S. Main and W.
Booe Ave.

This addendum is being issued to provide all prospective proposers with information on questions and clarifications.

There are no revisions to the RFP's.

Are we required to include any striping in our price for the paving jobs bidding on 2-11-13? No there will be no striping required.

Will there be any testing? If so, who is responsible for payment? Where sub-base is being reestablished density testing will be required at 98% or better. The contractor is responsible for all testing. Contractor will need to provide City with testing results.

Are there any manhole or valve adjustments required? Where manholes and valve exist adjustments will be required.

Can we use recycled asphalt or is virgin required? Virgin material will be required.

Can you explain what we are to include in item number 9? (Details) in the information to be submitted? Number 9 just explains font size and acceptable page count.

Will there be a performance payment bond required? No there is not a performance bond required.
